Commitment of the Danube University Krets to the “European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers”

The Danube University Krets, represented by Rector Univ. Prof. Dr. Jürgen Willer and Vice Rector for Research and Technology Univ. Prof. Dr. Stephan Neher, welcomes and fully supports the initiative of the European Commission.

Several of the general principles proposed in the Charter and in the Code of Conduct are already common practice at the Danube University Krets. Nevertheless, the Danube University Krets will make sure that all further initiatives will be in line with the Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

The Danube University Krets will disseminate the Charter and the Code of Conduct among its members and researchers and especially among those persons and groups who are involved in the recruitment of researchers.
